Gas Products

Apollo: filters, strainers, vane spools, pipe supports & squeeze tools
Ashcroft: pressure gauges, pressure & temperature switches, transducers
Becker Control: control valves & instruments
Bryan-Donkin: regulators, reliefs, shut-off valves & piping configurations
Chevron Phillips: natural gas odorants
Dresser Measurement: Roots rotary gas meters, provers
Dresser Piping: pipe joining, clamps, couplings, valves, strainers & EFV
Flowsafe: relief valves
Hanover-Smith: pipeline heaters, separators, glycol dehydrators
Maxitrol: appliance regulators
Mooney: regulators, relief valves, pilots, pilot filters
Mueller: y-strainers
Nice Instruments: vortex shedding meters & instruments
No-Shok: gauges, pressure transducers, thermowells, solenoid valves
RCM: flowmeters & site flow indicators
Reynolds: pressure & temperature recorders
Red Q (formerly Grove): regulators & reliefs, specialty regulators
Sensit: (formerly J&N) gas leak detection devices & CGI
Sensus (Rockwell): diaphragm & turbine meters, regulators, reliefs
YZ: odorizers, samplers, turbine meter oilers & odorant detection

Liquid Products

AMCO: cold & hot water meters
AMCO: oil meters & stainless steel meters
Nice Instruments: Vortex flow meters
RCM: flowmeters & site flow indicator
Flowsafe: relief valves
Tuthill: flowmeters, batching & electronics

Electronics

Ashcroft: digital gauges, transducers & more
Dresser: pressure/temperature corrector
KEP: timers, counters, rate & flow computers, PLC
No-Shok: pressure transducers

Valve

Balon: flanged, weld, needle, check
Dresser: plug & service
Mueller: luboseal gas meter valves
Nordstrum: plug valves
No-Shok: needle valves

Accessories

barrel locks leak detector meter bends & loops nuts/bolts/gaskets pipe dope expander plugs charts & chart pens grease & grease guns vent caps

Services

Operator Qualification plans & testing
O&M manuals Prefabricated meter & regulator stations
Odorant loading Meter Testing Regulator Inspections
Meter repair & recalibration Leak surveys
Cathodic protection Hot tapping
