Gas Products

Apollo: filters, strainers, vane spools, pipe supports & squeeze tools
Ashcroft: pressure gauges, pressure & temperature switches, transducers
Bryan-Donkin: regulators, reliefs, shut-off valves & piping configurations
Catco: instrument heaters and enclosures
Chevron Phillips: odorants
Crane: straightening vanes, orifice plates and fittings
Dresser Measurement: Roots rotary gas meters, provers
Dresser Piping: pipe joining, clamps, couplings, valves, strainers & EFV
Dresser Pressure Regulation: Mooney, Becker & RedQ - regulators & control valves
Flowsafe: relief valves
Exterran: pipeline heaters, separators, glycol dehydrators
Sensit (J&N): CGI, gas leak detection instruments & toxic gas monitors
Maxitrol: appliance regulators, 2 psi & 5 psi regulators
Mueller: y-strainers
Nice Instrumentation: vortex flow meters
No-Shok: gauges, thermowells, transducers
PalmerWahl: pressure & temperature recorders, chart drives
RCM (Flo-gage): flowmeters & site flow indicators
Sensus (Rockwell): diaphragm, ultrasonic & turbine meters, regulators, reliefs
YZ: odorizers, samplers, turbine meter oilers & odorant detection

Liquid Products

Elster: cold/hot water meters, oil meters, stainless steel meters
RCM: flowmeters & site flow indicators
Flowsafe: relief valves
Tuthill: flowmeters, batching & electronics
Nice Instrumentation: vortex flow meters

Valves

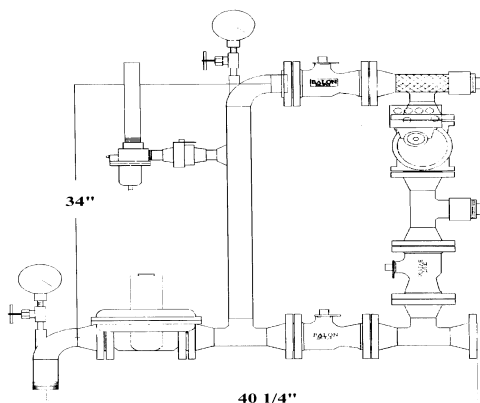

Balon: flanged & weld, check valve
Dresser: plug & service
Mueller: luboseal gas meter valve
Nordstrum: plug valves
No-Shok: needle valves

Electronics

Dresser: pressure/temperature corrector, data loggers
KEP: timers, counters, rate & flow computers, PLC

Accessories

barrel locks vent caps
meter bars/bends pipe dope
nuts/bolts/gaskets leak detector

Services

Operator Qualification plans & testing
O&M manuals
Prefabricated meter & regulator stations
Odorant loading
Meter Testing
Regulator Inspections
Meter repair & recalibration
Leak surveys
Cathodic protection
Hot tapping
